Hotel rules and conditions

- The fee includes the dog's stay at the facilities of IronDog Algarve Canine Training School in Quarteira, including care, hygiene, daily walks during the stay, recreational activities in the training field, activities in the large outdoor swimming pool for dogs (from May to October), and 24-hour supervision, 7 days a week. If the dog is sociable with other dogs, it will spend most of its free time socialising with them under our supervision. If the dog is not sociable with other dogs, it will be taken out 2 to 3 times per day individually.
- Your dog's food must be provided by the owner. If this is not possible, IronDog Algarve will charge an additional fee of €3 per day. However, we always advise owners not to make any changes to their dog's usual diet.
- Your dog will have access to an individual kennel measuring 4m x 2.5m, with both an indoor and an outdoor area. We accommodate only one animal per kennel, unless the dogs belong to the same owner or are accustomed to staying together.
- It is the responsibility of IronDog Algarve to maintain kennel hygiene and ensure the well-being of all animals in our care.
- During your dog's stay with us, we will send daily updates, including photos and videos via WhatsApp, so you can follow how your pet's stay is going.
- **HIGH SEASON:** High season is considered to be 1 July to 31 August, Carnival (14–18 February), Easter (3–5 April), and December (Christmas and New Year, from 1 December to 4 January 2027).
- **DIFFICULT-TO-HANDLE DOGS:** accepted subject to availability. The following types of dogs are considered difficult to handle: aggressive, extremely invasive (e.g., trying to mount others), highly anxious and nervous, and with escape tendencies. The owner must inform in advance IRON DOG ALGARVE if their pet shows any of these characteristics. These will be charged 30€/night. Also, whenever an animal is not sociable with the handlers, or only specific handlers can deal with that animal, a fee of €30 per night will apply. If the owner does not disclose these behavioral traits at the beginning of the stay, they will be informed that a fee of €30 per night will apply from that moment on. Signing a liability waiver is mandatory, and any costs and expenses resulting from physical damage caused to either handlers or other animals, and/or medical assistance, will be charged to the owner.
- **BITCHES IN SEASON:** accepted subject to availability. If a female dog goes into heat during her stay, the owner will be immediately informed, and the fee will apply from the moment the animal is isolated and the situation is communicated to the owner.

Payment and requirements

- The cost of the stay is calculated based on the total number of nights (not days).
- The owner must **sign and agree to our liability waiver**.
- You must bring your dog's vaccination book/passport. **No animal will be accepted without it, and all vaccinations must be up to date**, including the kennel cough vaccine (KC, Pneumo, or Bb Oral).
- **After receiving the kennel cough vaccine, the dog must wait a 7-day waiting period** before attending our facilities.
- The dog must have been **externally and internally dewormed within the last 3 months before check-in**. If the dog requires parasite treatment upon arrival, this will incur an additional cost.
- Reservations are only guaranteed after confirmation of availability by IRON DOG ALGARVE and immediate **payment of 50% of the total cost**, with the **remaining 50% due on the day of check-in**.
- **Payment can be made by cash, MB WAY (914551187 / 968044197), or bank transfer to the IBAN: PT50003509950003434683033.**
- After the transfer, it is **mandatory to send proof of payment including the dog's name**.

Cancellation Policy

- In the event of a cancellation within 24 hours of booking, the full amount will be refunded.
- For bookings made more than 24 hours in advance, the 50% deposit will not be refunded, but it can be used as credit for a future booking within 12 months, subject to availability.
